Define Your Un-ness

Here's ours...

[uhn-nis] To break away from the masses. Challenge. Freely used to release, exemplify, or intensify a force or quality. To engage, connect, and explore unique places, oneself, and with others on a most uncommon adventure.

Now, what's yours...

“We LOVE you guys and are so appreciative of what you do for your guests. Always fun and friendly but always so professional. It’s rare in the industry and makes you our favorite way to travel.” Valerie R, Manassas, VA (Hawaii 2016)

Snapshot: (L) *Baja caramba!* The view outside your cabin window... a kaleidoscope. (R) Boot-sucking mud, best to pack your Alaskan tennis shoes.

Finding inspiration is a good thing. It feels good. Gets our blood pumping. Staring up at a glacier, taking in the splash of a waterfall, or sitting around the campfire where grand tales are told always sparks the adventurer and storyteller in us.

And as stories go, they are always a'changin'. So we made a few tweaks to ours. New fonts and colors trying to match the vividness of our collective experience in the natural world. And a refreshed logo inspired by what inspires all of us—connection, adventure, and place. It's a story worth telling, and sharing.

Snapshot: (L) Launch into adventure—the *Wilderness Explorer* delivers. (R) When you look beneath the surface, you find love is everywhere.

Small Ships BIG Experiences

A crew member shows you to your cabin. After a short time getting situated, gain your bearings with a spin around the ship before heading to the lounge for a glass of bubbly and to meet your shipmates. Once on board, transplanting yourself and settling in is a snap.

And then you're off! Headed to where the big ships can't go—in more ways than one. Be sure to pack a go-with-the-flow attitude. There are set itineraries, but in-the-moment decisions with Mother Nature leading the way will happen! No two UnCruise departures are ever the same, and they're way more personable.

No matter how you travel—with a companion, family, solo, or in a group—connection, place, and adventure are at the heart of your exploration. Uncover hidden treasures, meet locals (the human, feathered, and wild-and-woolly ones), and learn while having fun. **Change the way you see the world.**

Connection

From mountain trails to footprints ashore, between feeding whales and fleeting krill—there's connection. Places and adventures forever united by storytellers, fellow-travelers, and salts of the earth. It's as old as time.

Place

Lost then found, then lost again. And once there, it has the potential to blow you away. A realization of your significance against the scale of the place you've found. It's hard to put into words, but you leave a piece of your heart.

Adventure

That urge to reach beyond the norm. Explore. Trying new things that stretch the mind and body—kayak, hike, chat up locals—and lead to the most elusive discoveries and moments of excitement. Experience life on the outside.

Unparalleled Value

From your first inquiry until even after your trip and—of course—throughout the cruise itself, you'll receive welcoming, friendly, personalized service—and a host of benefits you won't find on most other ships.

Snapshot: Showstopping boatstopper—
bubble net feeding frenzy.

Choose to UnCruiseSM

Flexibility to do as much or as little as you like, on your terms, and in comfort.

Backstage pass. Small group travel puts you in on the action (not watching from afar).

Home. Boats are well-appointed and very comfortable, but you'll quickly discover that your home-away-from-home is secondary to what's going on around it.

Memories to last a lifetime. Be prepared for *AHA!* and "I-can't-believe-I-just-did-that" moments. You'll leave with lots of 'em.

Connection. On a journey this intimate, you can't help but feel connected—to the earth, to yourself, and to friends new and old.

Breezy. From transfers and baggage handling, to cruise cabins and pre- and post-cruise extensions, you're taken care of.

Zero hidden costs. What most defines your trip is included in every fare—excursions, hand-crafted cuisine, and a wide array of beverage options... including alcohol.

Welcome to the family. Through our Endless Discoveries alumni program, you receive loyalty savings on future cruises, referral incentives (for you AND your friends), exclusive offers, and more.

Finding Our Un-ness

It took grit, hard work, and a bit of luck, but the stars aligned when UnCruise Adventures came to be. It was 1996. Connection and innovation have been at the heart ever since. And driven by a fearless team and a commitment of leaving the beaten path and really exploring—experiencing—what the world has to offer.

Your crew—and everyone working hard behind the scenes—has a fierce love of travel, and a deep respect and appreciation for the wilderness, wildlife, culture, and heritage of the places we visit. It's our hope and goal that some of this rubs off on those who travel with us (it almost always does).

Snapshot: (L) Make new friends, keep the old, an adventure equally stunning and bold. (R) Weathered, well-tested, and Alaska strong.

Onboard Team

Our crew are all hand-picked for their outstanding knowledge, experience, customer service, and safety skills—and also their genuine enthusiasm and welcoming spirit. Each onboard team includes your captain, chefs, expedition and heritage guides, and hotel/galley/deck staff. After selecting fantastic people, the crew undergoes annual training in areas such as leadership, safety, guest services, and “Leave No Trace” practices. In other words, you’ll be in great hands.

Local Experts

Get up-close to nature and wildlife, and learn along the way from local experts and historians. In Alaska, a U.S. Forest Service wilderness ranger may kayak up to the vessel and hop aboard to talk about natural history. You might receive a hands-on lesson turning taro into poi from a village elder in Hawaii. Or in Mexico, what better way to truly feel the local culture than a mule ride singalong into the arroyos with a local ranchero family?

Unforgettable Themes

Curious to learn, a budding amateur, or already an authority? Special theme cruises tap into your passions! On select departures, experts in a variety of fields join in as guest hosts. There'll be dedicated presentations, hands-on learning opportunities, and one-on-one interaction—all as an added value on top of the typical UnCruise benefits.

Wellness

Some of the best trainers, wellness and dietary experts, and your expedition team have come together, and it's for your own well-being. Seriously. In today's health-conscious, plugged in, hasty world, you owe it to yourself to find experiences that nourish.

In the world's greatest spa. Awake each day to a different, inspiring backdrop—Snow-capped mountains. Canopied rainforest. Ice-blue glaciers. Craggy shores. Glassy coves. Fresh air.

Get physical. Sunrise stretches on deck. Paddle board yoga. Hours-long kayaking along a waterfall-lined fjord or mangrove-riddled estuary. A rock scramble in desert arroyos or hike on glacial terrain. Gentle walks through intertidal shore zones.

Serenity and renewal, found in the unexpected. Quiet meditation on deck. Thoughtful reflection and instructive practices. Complimentary massage from onboard massage therapists. Hot tubbing under the stars. Connection and laughter with shipmates.

Healthful lifestyle opportunities on board. Sustainable dining options, healthy recipes, and learn healthy cooking techniques. Presentations and one-on-one interaction with your expedition team and wellness experts. Daily wellness programs and tips.

Day after day, your health and wellness team delivers small group opportunities focused on their individual specialties. Activities may include onboard presentations, heart healthy menus, active adventures, yoga, meditation, aromatherapy, and massage. Turn it up or down to fit your desired interests.

Family [F]UnCruise Discoveries

“It is a happy talent to know how to play.” Ralph Waldo Emerson’s wise words are pretty much a motto at UnCruise Adventures. The Family Discoveries program celebrates the curiosity and wonderment of kids-at-heart of every age—from age 8 to 98 (and beyond!). Experience magical wilderness, wildlife, history, and cultures together, and share a journey across generations.

Bring the whole family—and extended family of friends. Create lifelong memories between kids, grandparents, parents, aunts, siblings, cousins... And while there are no adult-free play zones and no babysitting services on board, everyone learns while having fun. There’s a unique smorgasbord of activities on adventure and river cruises:

- Tide pool “treasure” hunts
- Play “I-spy” with breaching whales and leaping dolphins
- Glacial mud face painting
- Discover the pioneers of the Oregon Trail
- Good-natured “giddy-ups” on a mule ride
- “Polar bear plunges” and paddle board races

Family Discoveries Program:

- Kids 8⁺ years & older are welcomed aboard most vessels⁺
- Kids ages 8 to 13 **save \$500*** per child

^Δ Exceptions for kids under 8 years require special approval

⁺ *Safari Quest* welcomes kids ages 13 and younger on private yacht charters only

^{*} Excludes December holiday departures

“This was an amazing adventure. I came with my daughter and grandson—celebrating my 78th birthday... We all learned so much! And in the best possible way—seeing and experiencing.”

— Judy G, Honolulu, HI (Washington 2016)

Solo Travel

Discover an adventure all your own, with genuine companionship of newfound friends. With the logistics planned for you, the solo traveler's journey is a relaxed and safe one. Guides and crew know you by name—and it's not long before you and your shipmates are on a first-name basis, too. Whether traveling on your own or not, bonding happens naturally amongst guests and crew on an UnCruise adventure.

If you're on the fence, the pros far outweigh the cons. There's a reason guests often describe these cruises as "summer camp for adults"—sharing stories, laughter, and *AHA!* moments with your comrades and crew. And when you seek it, there's quiet solitude, too.

Making Solo Travel Better:

- Friendly rates (you don't pay double!)
- Safe, comfortable environment
- Open seating in the dining room fosters social mingling
- Buddy system during adventure activities—snorkeling, kayaking, hiking
- Time for beach walks, stargazing, and strolling towns in small groups
- Freedom to curl up with a book in the onboard library or lounge

"I was traveling alone but never felt alone. I have been on several cruises, but this was my all-time favorite trip."

— Patricia L, Port Charlotte, FL (Columbia & Snake Rivers 2014)

Groups & Charters

Group Travel

Whatever the common interest—family, birders, sport enthusiasts, stargazers, corporate teams—it’s really about camaraderie. Team-build in the Southeast Alaskan outback. Adult kids and young ones can snorkel with playful sea lion pups in Mexico’s Sea of Cortés. Hone skills behind the lens photographing humpback whales in Hawaii. Clink glasses with best girlfriends on a Columbia River wine cruise getaway. Share adventure with friends, family, or associates and with other guests on board—it’s adventure multiplied! Laugh, connect, commemorate milestone events, and make lifelong memories.

Private Charter

But if your group gets big enough, why not take the whole boat? There’s nothing like the privacy of a private charter—it’s all about you! The details—activities, amenities, and provisions—are arranged on your behalf and with your special requests in mind. Whether your full-vessel charter is a celebration for a wedding, class reunion, generations of family, or a corporate team’s successes, this full-service platform more than meets your needs. With the entire vessel dedicated to you and your guests, in-the-moment changes to the itinerary or activities can easily be accommodated. With unparalleled benefits, all you have to do is sit back and soak in the experience!

“I chartered the *Safari Quest* for a group of friends that included photographers, artists, writers, kayakers, and those who simply enjoyed nature. Our ages ranged from 50-81, and no matter what the interest or ability level the crew ensured a great experience for each and every one of us. We had such a wonderful time, we have already planned our next chartered UnCruise in Hawaii.”

— Cindy C, North Fort Myers, FL (Alaska 2015)

It doesn't get much better than this. Oh wait—it does. It's all the onboard amenities and activities included in the fare. And, the high-quality service you receive from office staff and crew. When you choose to UnCruise for your special event, the memories last a lifetime.

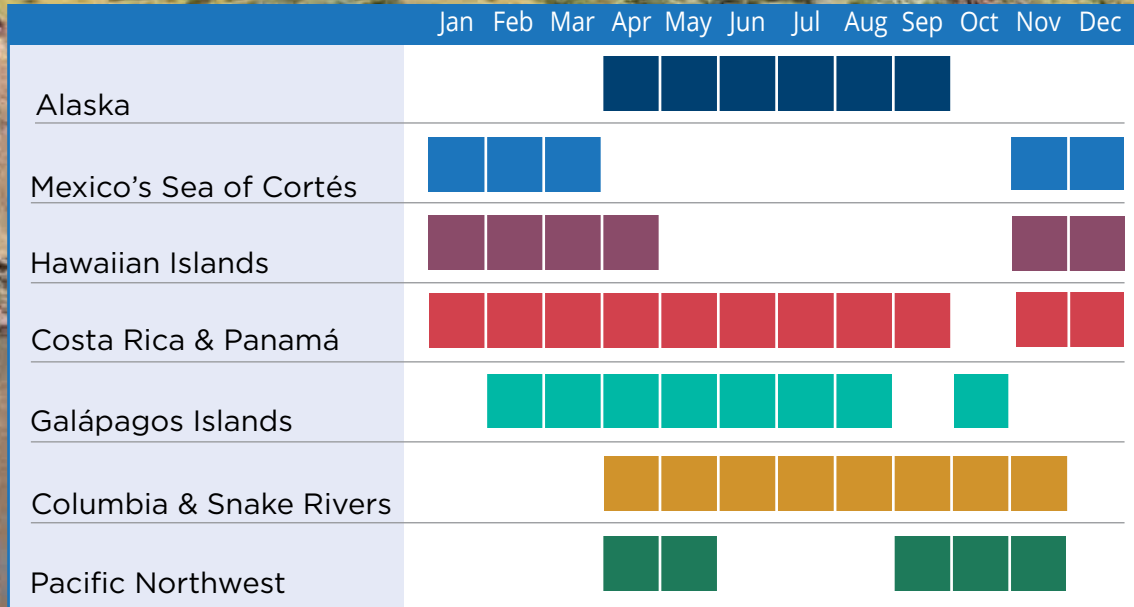

Group & Charter Benefits:

- Fare savings or complimentary berths based on group size and for private charters, depending on destination
- Extraordinary celebration of your milestone events
- Unmatched focus on special dietary requests
- Innovative and collaborative benefits designed for your group
- Private charters benefit by spontaneous within-voyage itinerary modifications as opportunities present themselves (and as safety and operational constraints allow)
- Corporations benefit from potential tax breaks on U.S. flagged vessels

Our excellent group and charter team specializes in taking care of any unique needs and may even have some extra perks to make your voyage uniquely memorable. Bring your group or join us on a private charter, and make it unforgettable!

“One of the best vacations of my life! Everything was beyond what I had expected. I can’t wait until my next UnCruise adventure!”

— Ritesh N, San Antonio, TX (Washington 2016)

Alaska

The totem reaches skyward, a tribute to the spirit of the living. Joe guides all eyes up the pole, explaining each figure’s significance. A Tlingit, Joe Williams honors his heritage by sharing his peoples’ stories. Some are dark, like the forced Anglicization of native names by 19th century missionaries. Other stories of tribal youth carrying on traditions and the honoring of Alaska’s wilderness are heartening.

Nobody does Alaska better, offers more variety, or provides more adventure than an UnCruise—where small ships foster uncommon encounters and unexpected experiences. Rainforests, glaciers, and Glacier Bay National Park. Brown bears, black bears, and “polar bear plunges.” Humpback whales, orcas, and bald eagles. Hiking, kayaking, hot tubbing under the stars, even playing in the mud. Whether liquid sunshine or cloud failure, your expert expedition team guides you on an unforgettable journey.

PRE- & POST-CRUISE EXTENSIONS

Your Alaska experience wouldn’t be complete without a visit to Denali National Park and the Knik River Valley. Choose an UnCruise escorted land tour, or one of our other carefully planned hotel packages. We’ve done the legwork!

See details on pages 42-47.

“One week of wonderful. From the fab food to the sights and pace to see and enjoy them—you did it all perfectly. And the amazing fact that the crew can call us by our names so soon is an extra ‘hug’.”

NOISY GULLS CHATTERED AWAY ON THE TOP-MOST POINT OF AN OPALESCENT BERG...

Skiffing among the floating icy bits, my guide navigated around a chunk the size of a small car. The shoreline now in sight, dozing seals were spotted on the toe of the glacier. Their big black eyes barely registered our arrival. Paying no mind, they continued their snoozing as the skiff cruised by.

DAY 1 Set sail north. Depending on your vessel, admire Seattle's waterfront view or transit the Hiram M. Chittenden Locks where you're lowered twenty feet into the Salish Sea.

DAYS 2-12 Fill your days with backcountry hikes, paddling coves, intertidal shore walks, and easy-going companionship—orcas, seals, sea lions and otters, whales, dolphins, sea birds, bald eagles, and of course, your fellow adventurers. Explore the shoreline and forests of Washington's San Juan Islands. In the afternoon, set sail and gunkhole through Canada's and Alaska's Inside Passages. Paddling the glacial valleys in Misty Fjords National Monument provides an up-close look at this vast wilderness. In Wrangell and Ketchikan, hear stories of Tlingit and Haida cultures, view carved totems, and stroll notorious Creek Street (once a redlight district in downtown Ketchikan).

Behm Canal's abundant wildlife; kayaking, paddle boarding, skiffing, and hiking in Thomas Bay; and zigzagging navigational lights in Wrangell Narrows' "Christmas Tree Lane" are just a few nuggets to write home about. Watch for breaching whales and orca in the summer feeding grounds of Stephens Passage. In the glacially carved fjord of Endicott Arm, take note of arctic terns or harbor seals lazing on a passing bergy. And the calving white thunder of Dawes Glacier is astounding. On your final evening, enjoy the Captain's Farewell Dinner and a recap of your journey presented by your expedition team.

DAY 13 Spend breakfast with your mates, then disembark for your transfer to the Juneau airport or to your UnCruise hotel stay.

Exploring Muir's Wilderness

7 NIGHTS | ROUNDTrip JUNEAU, ALASKA

THE RANGER HAD JUST FINISHED DESCRIBING GLACIER CHARACTERISTICS WHEN A SHARP CRACK SOUNDED...

As if Mother Nature had timed it so on purpose, a section of glacier sheared off from its face. Cheers from on board echoed the thunder of ice tumbling into the water. This was the most astounding geology “lesson” anyone in our group had ever experienced—and in the most enthralling classroom we ever set foot in—Glacier Bay.

DAY 1 In Juneau, captain and crew welcome you aboard. Set sail, bound for Icy Strait!

DAYS 2-7 Just as it was for John Muir, there’s no easing into it—Alaska is a jaw-dropper from the get-go. A favorite of humpbacks in the summer, Icy Strait will become a favorite of yours, too. Watch for their telltale blow, as well as for seals and porpoises. Glide along the coastline by skiff or kayak for your first up-close view of the territory. Get the behind-the-scenes scoop on the movement of glaciers and wildlife when a Glacier Bay National Park ranger joins you for the day.

Navigating the waterways of the Tongass National Forest, your captain will find the ideal anchor. Take it easy in a skiff, or grab a paddle to kayak or paddle board in hidden bays and inlets along Chatham Strait. Whichever mode you choose, you’ll be swapping big

fish stories over hand-crafted cocktails with your shipmates at the day’s end. It’s all about varied landscapes and wildlife—bear, eagles, blue heron, marine life—in Thomas Bay and Port Houghton. Join your expedition guides to beachcomb, hike inland, or paddle a tidal lake. As Muir likely did, feel a rush of exhilaration (and a chill) near the face of Dawes Glacier. A skiff ride through iceberg strewn water reveals glacial views along with *ooh’s*, *aah’s*, and the clap of white thunder. Celebrate your week in Muir’s beloved Alaska with a toast from your captain and a slideshow by your expedition team.

DAY 8 Enjoy one last breakfast before transferring to the Juneau airport or your UnCruise extended stay.

PRE- & POST-CRUISE OPTIONS are available. See pages 42-47 for details.

Discoverers’ Glacier Country

7 NIGHTS | ROUNDTrip JUNEAU, ALASKA

BEAMS OF SUN SHINED THROUGH THE EVERGREENS SPOTLIGHTING FERNS AND ORANGE FUNGI...

The loamy trail wended through the trees revealing forest treasures—moss for a mustache, Bigfoot-shaped shadows. Why not give that banana slug a kiss? Laughter mingled with the calls of birds. The path opened into a wide meadow of wildflowers and mouths opened to exclaim awe. John Muir’s words, “the clearest way into the universe is through a forest wilderness” could have been inspired by this spot.

DAY 1 Upon boarding in Juneau, your crew greets you with sparkling wine and smiles. Set sail for scenic channels and secluded wilderness.

DAYS 2-7 Traveling nearly 60 miles up-bay, a Glacier Bay National Park ranger shares the park’s geology and history and joins in on landlubbing adventure. Take a boot-sucking hike through sandbars of glacial silt or hike atop a towering peak for the view from above. Board a skiff and weave among icebergs that have cracked off the face of a glacier. Kayak in the quiet of wilderness and relish in unfettered time on hikes ashore. Arriving back at the boat, your crackerjack team is there to greet you with a warm mug of hot chocolate, so enjoy the thrill of the wild.

Icy Strait, Frederick Sound, and Stephens Passage are some of the richest whale waters in Southeast Alaska. Join the captain on the bridge

or go on deck with your expedition team and watch for porpoise, sea lions, and the telltale blow of humpbacks. Discover those “not in the guidebook” places. Cliff-walled fjords and a pristine tidal inlet are on tap as you slip into an area widely acclaimed as one of the most beautiful in Alaska—Endicott Arm and Fords Terror. Explore the fjord by kayak or skiff, a unique opportunity indeed. Saw-toothed mountains gleam high overhead and a glacier actively calves into the ice-filled fjord. Enjoy a festive Farewell Dinner, and before turning in, your expedition team shares a photo journal of your voyage.

DAY 8 Gather for breakfast, and back in Juneau, transfer to the airport or begin your UnCruise extended stay.

Yachters' Alaskan Frontier

7 NIGHTS | ROUNDTRIP JUNEAU, ALASKA

DWARFED BY THE LANDSCAPE, OUR SMALL SHIP APPEARS EVEN SMALLER FROM THE OVERLOOK...

Back on board after the hike, eyes were now focused in on the micro scene. Paths crossed—three, four, now five dorsal fins—as a pod of orca undulated through the water. A puff of spray, and a whale rose to spy on us with its dark eyes—a quick moment of connection. With a kick it dove, tail fin high.

DAY 1 Captain and crew welcome you aboard. Pushing off from the dock, sail through the channels of the Inside Passage.

DAYS 2-7 Watch a river of ice drop into the sea, and if luck is on your side, witness the power of Dawes Glacier—with a thunderous crack as a section of the face calves away. Explore Endicott Arm by skiff, spotting buoyant seals lounging on bergy bits and sure-footed mountain goats along the steep coastline. Port Houghton boasts a wealth of wild inhabitants—sea birds, shore birds, birds of prey, and bear. Kayak or paddle board into the hidden reaches of the cove; test your balance on the paddle board and investigate the coastline; or set foot onshore along a coastal river trail.

A playground for easygoing whales, sea lions, and harbor seals, take in Baranof and Chichagof Islands with your captain on the bridge and hit the

woods to explore with your expedition guide on an inland hike. Waterfalls and steep cliff walls are the setting for kayaking and skiffing along not-in-the-guidebook coves and inlets. In Icy Strait, scan the surface for the blow of whales and relish a last day of play looking for unexpected “treasures” along the coastline in the skiff. Soak up the evening sky in the hot tub before your Farewell Dinner, and afterwards share smiles with a special photo recap from your crew.

DAY 8 Share a last breakfast with your shipmates, then wish your captain and crew goodbye. You'll be transferred to the airport in Juneau or to your UnCruise extended stay.

PRE- & POST-CRUISE OPTIONS are available. See pages 42-47 for details.

7 NIGHTS | JUNEAU TO SITKA, ALASKA (*or reverse)

IN ONE DEXTEROUS MOVE, THE BEAR HELD THE SALMON IN PLACE WITH ITS PAW...

Off shore—but only just—the skiff comes to a near standstill, bobbing slowly with the water’s ebb and flow. Catching our movements, the bear looks from its catch. Though my eyes never left the scruffy figure, the contents of the skiff were less enticing to the bear than its meal. After a moment it turns its attention back to its fresh snack.

DAY 1 Welcome aboard! Meet the crew, settle in, and relax with your shipmates as you cruise the Inside Passage.

DAYS 2-7 Your captain determines the best starting point for backcountry adventure. Jump start your week with a paddle or skiff ride and you’re likely to be welcomed by “local” harbor seals. Accompanied by a ranger in Glacier Bay—one of America’s crown jewel national parks and a UNESCO World Heritage Site and Biosphere Reserve—the park is yours for the taking. Be awed by glaciers, learn the park’s history, and take in a hike at Bartlett Cove. Linger and be entertained at odoriferous South Marble Island, a Steller sea lion haulout and guillemot colony.

Set your course for the whale- and wildlife-rich waters of Icy Strait. Then, join the captain on the bridge or your expedition team out on deck while watching for whales, sea lions,

mountain goats, sea otters, eagles, puffins, Black Oystercatchers and other creatures. Ride the skiffs—binoculars in hand—for a close inspection of the rugged shore, keeping watch for bears. Anchored in remote waters, lower the kayaks or enjoy an intertidal walk with your guides on Chichagof and Kuiu Islands. The small boat haven of Peril Strait connects to Sergius Narrows—a magnet for wildlife and great place to watch for bears, otters, whales, and eagles. After an adventurous last day, toast your voyage with a Farewell Dinner and a photo “journal” of your week by your expedition team.

DAY 8 Gather for breakfast as you cruise into Sitka, then disembark for your transfer to the airport or to your UnCruise land extension.

PRE- & POST-CRUISE OPTIONS are available. See pages 42-47 for details.

7 NIGHTS | JUNEAU TO KETCHIKAN, ALASKA (*or reverse)

A GLITTERING SECRET, IT WOULD LIKELY BE MISSED ENTIRELY IF NOT FOR THE CRASHING OF WATER...

The waterfall, tucked into a zig-zagging cleft in the rock, drums the saltwater in a never-ending rhythm. Kayaks get us close enough to feel the spray on our faces, and see ferns, mushrooms, and moss growing where water meets earth. Fjord walls reach to the sky, as big as the solitude all around.

DAY 1 After a hearty welcome from your crew, get acquainted and set sail for Endicott Arm.

DAYS 2-7 Snow covered mountains, glowing blues, and the white thunder of calving ice take your breath away at the face of Dawes Glacier. Gliding through Endicott Arm, spot seals taking respite on the glacier's smaller "bergy bits" and, tides permitting, explore narrow Fords Terror. Poetic in every sense of the word, Thomas Bay offers up some of the finest paddling and hiking in Southeast Alaska. Take it easy on a lush forest trail or intertidal shore walk; or get down and dirty in the muskeg and mud. And in Wrangell, totems and a sacred tribal house reveal Tlingit and Haida legends and lore.

Wildlife is everywhere—but in Stephens Passage and along Behm

Canal, it'll likely take shape in the form of bears, wolves, harbor seals, sea lions, orca, and humpbacks. Soak in Misty Fjords National Monument—affectionately called "The Yosemite of the North." Glacial valleys filled with sea water and sheer 3,000-foot cliffs are a haven for sea birds, bears, mountain goats, Sitka black-tailed deer, moose, and other wildlife. Your final evening, enjoy a farewell toast and reminisce about your journey over a savory dinner.

DAY 8 After breakfast, disembark for your transfer to the Ketchikan airport, or your UnCruise hotel stay or land extension.

Inner Reaches Western Coves

7 NIGHTS | KETCHIKAN TO JUNEAU, ALASKA

FIRST A BEACHCOMB, THEN A COLD BUT COOL SNORKEL, IT'S A DAY FULL OF SURPRISES...

Starfish, hermit crabs, anemones, limpets, giant kelp... Turn a stone—or swim around one and find something new. A special treat, we're back on the beach for a nighttime bonfire. Achieving the perfect golden roast of a marshmallow proves difficult with the spectacular distraction of the setting sun and the crew's salty sea stories that elicit side-aching belly laughs.

DAY 1 Warmly welcomed aboard, settle in and keep watch for eagles cruising through the Tongass Narrows out of Ketchikan.

DAYS 2-7 It was wild and woolly then, and as you'll discover, it still holds true today. Neither liquid sunshine, nor cloud failure gets in the way on this journey. The wilderness is very much alive with raw forest and an abundance of wildlife both above and below the water's surface. Take to the water by kayak, paddle board, and skiff, keeping watch for a vast array of marine life. At The Brothers Islands, uncover a haulout for Steller sea lions; in two popular summer whale feeding grounds—Frederick Sound and Stephens Passage—join playful porpoise, orca, and humpbacks; and along shore, keep your eyes alert for sea birds, eagles, wolves, and black bear. And on a private tour of Kake village, uncover totem legends and the rich heritage of Tlingit culture.

In the outer reaches of this coastline, try an optional snorkel to peek below the surface. Join a forest ranger on a high forest trail hike to explore inside El Capitan Cave, the largest known cave in Alaska and one of the largest mapped caves in the Americas. Pass by hundreds of waterfalls and some of the largest icebergs in Alaska to reach the Twin Sawyer Glaciers at the end of a winding fjord. On your final evening aboard, join your captain and crew for a farewell toast during dinner and celebrate your spirit of adventure with a slideshow presentation.

DAY 8 Bid adieu to new friends over breakfast. Disembark and transfer to the Juneau airport or your UnCruise land extension.

Denali National Park & Knik River Valley

PRE- & POST-CRUISE ESCORTED TOURS

Fresh morning air is crisp against our cheeks. The supreme quiet of dawn was interrupted only by chirping birds and the rushing river. Coffee in hand, from the porch of our cabin, we scanned the wide valley stretching out before us. Catching my eye, the massive rack was unmistakable. The long-legged moose dipped his head down again to take another drink. The call of the wild in Alaska is undeniable.

The Alaska experience wouldn't be complete without a visit to the state's heartland. Take a multi-night journey into mountain wilderness. Each vantage point—whether a bustling town, riding the Alaska Railroad, or in the most remote backcountry location—offers a multitude of stunning vistas and things to do. Grizzly bears, caribou, moose, and Dall's sheep are just a few of the species that roam these lands. Denali National Park and Preserve—home to 20,320-foot Mt. Denali—encompasses a 6-million-acre subarctic ecosystem of extraordinary beauty and astonishing wildlife. Nestled beneath the Chugach Mountains and surrounded by vast forest, the Knik River valley is the epitome of remote.

“The folks [at Knik River Lodge] are TERRIFIC!!! We did a glacier expedition with them and were blown away with the experience. Great time and best way to go!”

Timing is Everything!

The "when to go" question comes up often, in fact it's almost always the first question asked. Rain, bears, whales, sunlight, northern lights—how much, how little, how long, what variety, how high, how low—these are all key interests when planning your Alaskan vacation. It is "The Great Land", and therefore, there is no "cookie cutter" answer to these curiosities.

Mexico's Sea of Cortés

Cowboy tunes drift among palo verde trees and the long fingers of cardon cacti. Ranchero Julio Ramero sings not just for fun, but to guide our mules from the beach to the shady oasis. Earlier this morning, he and his family herded their mules 20 kilometers over the mountains to meet us for our ride. This land suits Julio; an easy smile fills his face as he guides you through the magic of the oasis.

In the Sea of Cortés, a 7-night island-hopping cruise showcases a world of raw beauty. Fill your days with active adventure, authentic culture, and wildlife—boobies, frigate birds, humpbacks, blue whales, whale sharks, dolphins, and mantas. Watch curious gray whales and their babies surface to look you in the eye. Kayak glassy coves. Snorkel with playful sea lions. Hike cactus-clad rims. And, in a picturesque setting of red-rock cliffs, relax on a beach. Discover firsthand just how small the human presence here is.

PRE- & POST-CRUISE EXTENSIONS

A bustling marketplace, charming cafes, a warm sandy beach. Before saying “adios,” relax with a hotel stay in quaint San José del Cabo. We’ve done the homework on where!

See details on pages 52-53.

Baja's Bounty

7 NIGHTS | ROUNDTRIP SAN JOSÉ DEL CABO, MEXICO

MASK AND FINS PULLED ON, BIG BREATH TAKEN—THIS SNORKEL WAS IN DEEPER WATER...

Sliding from the skiff, our guide smiled encouragingly. Swimming slowly along the craggy islet, schools of fish dodge from our path. A flash below grabs all attention; then another. With gymnastic speed, a juvenile sea lion swims up, floating face-to-face, then zips away. Others join in, swimming loops, peering into faces, occasionally mouthing my flipper like a puppy.

DAY 1 Joined by your expedition team, an overland transfer to La Paz acquaints you with the Baja landscape. Captain and crew welcome you and your new mates aboard for cocktails and dinner.

DAYS 2-7 Wildlife and exploration top your agenda. Don flippers and search for marine life below the surface. Keep your binoculars poised for Blue-footed boobies, brown pelicans, frigate birds, tropic birds, and cormorants perched above, and your eyes peeled for pods of dolphins, and blue, fin, or sperm whales as they spout and dive. Depending on the time of year, you'll have a chance to either swim with whale sharks—the largest known species of fish in the ocean—in Bahía de La Paz, or, if the gray whales have arrived to calve in Magdalena Bay, travel overland to the Pacific coast and observe them in the lagoon from a panga.

At Bahía Agua Verde, experience “real Baja” on a mule ride with a local

ranchero family; snorkel with agile sea lion pups at Los Islotes; kayak along sandy beaches and hike red-rock cliffs at Isla Partida and Isla San Francisco. In a setting straight out of a movie set, Isla Espíritu Santo's bays offer some of the best kayaking, with time for beachcombing along the shore or hiking inland among cacti. Desert landscapes and volcanic ridges are your backdrop for days of skiffing, hiking, kayaking, and paddle boarding, and by night—stargazing and watching the water for bioluminescence. Wrap up the week with a Farewell Dinner and a slideshow recapping your adventures from your expedition team.

DAY 8 After breakfast, you'll be transferred from La Paz to the Los Cabos International Airport or your optional UnCruise hotel stay.

PRE- & POST-CRUISE OPTIONS are available. See page 52 for details.

7 NIGHTS | MOLOKA'I TO HAWAI'I, THE BIG ISLAND (*or reverse)

FOREHEADS AND NOSES TOUCH. INHALING AND EXHALING TOGETHER, THE KAHUNA OFFERS HIS WELCOME...

After the ritual of honi, or “sharing breath,” the revered Hawaiian elder invites us into his Halawa Valley home with smiles and to talk story. Lore of the island and the legacy of kahunas, growing taro and the ancient practice of making poi—it’s not long before I feel like part of his extended ohana. Hiking through the valley, I can feel the “mana”—the spiritual and life energy—of this place.

DAY 1 Smiles of aloha from captain and crew welcome you aboard the yacht. Sip sparkling wine as you settle in before dinner and a presentation about your week ahead.

DAYS 2-7 Get a sense of Hawaii long ago. Talk story and be enticed by Hawaiian legend and the hula’s rhythm. During a week of kayaking, snorkeling, paddle boarding, and cultural visits, the history of this ancient homeland unfolds. With no stop lights and no high-rises, you’ll welcome leisure time in the paniolo town of Kaunakakai, the scent of plumeria, and Moloka’i’s slow pace. Gear up for water play at Lana’i and hike to the island’s spatter and cinder cone. And if you’re lucky, paddle an outrigger from a Maui beach and linger under Lahaina’s giant Banyan tree (with tuneful Myna’s perched limb-to-limb).

you cruise these marine breeding grounds keeping watch for dolphins, whales, and other marine life. By skiff, explore shores lined with lava tubes and coconut palm-fringed bays. Discover coral gardens full of underwater life, snorkel in a known sea turtle habitat by day, and at night, with Giant Pacific Manta rays. Skiff into Kealakekua Bay—where Captain Cook was slain in 1779—for some of the island of Hawai’i’s best snorkeling. Uncover historic Kailua-Kona as you leisurely stroll around town. On your last evening, celebrate your voyage and the spirit of aloha with the Captain’s Farewell Dinner and a photographic recap of your adventure.

Costa Rica & Panamá

Costa Rica

Falling in love with an Eden-like jungle is easy. Homesteading a life there takes sweat-and-blood commitment. Harvey and Susan did just that to build their ecolodge. They say it was the Osa Peninsula's biodiversity and conservation dreams that brought them here. Now, sharing the jungle's flora and fauna is their daily motivation. In Costa Rica, tap your senses, especially your sense of wonder. Hike in dry and wet tropical forests as macaws, sloths, and howler monkeys keep watch on you. Kayak and skiff coves and mangrove sanctuaries. And how many of Costa Rica's 50-plus hummingbird species will you find?

Panamá

Vibrant purples, pinks, greens, blues. The Emberá all wear different costumes, and all are bright. Without hint of shyness, a little hand grasps an adult one, and the local youngster acts as impromptu guide through the Mogue village. In Panamá explore the vast Darién Jungle—home to roseate spoonbills and wily wildlife—by motorized canoe and hike. Snorkel Guna Yala's islands (formerly the San Blas Islands) and discover native customs. In the Gulf of Panamá, search for some of the 2,000 humpback whales that migrate to these waters each year.

PRE- & POST-CRUISE EXTENSIONS

The emerald interior is not to be missed! Gain a treetop view in the cloud forest and see Costa Rica's fiery volcanic past on an inland adventure. Or keep it chic with a boutique hotel stay in the capital cities of Panamá or Costa Rica.

CRIES FROM THE CANOPY ABOVE SOUNDED THE ALARM, A DEAFENING CACOPHONY...

A storm was approaching and the howler monkeys above were ensuring all their brethren knew about it. Though the vegetation provided excellent cover for the troop, their shouting gave them away. From the trail below, their bodies were dark against the foliage. No question—we were in the jungle!

DAY 1 From the hotel hospitality area, join your fellow adventurers for the short drive to Caldera Port, where you'll board the *Safari Voyager* and meet your enthusiastic crew.

DAYS 2-7 Discover an array of wildlife and wild lands. In the jungle forests of Curú Wildlife Refuge, Manuel Antonio National Park, and the Osa Conservation Area, search from arboreal heights to forest floor for spider monkeys, scarlet macaws, tanagers, two- and three-toed sloths, army ants, tree frogs, caimans, anteaters, and white-faced capuchin monkeys. Keep a keen ear peeled for bellowing howler monkeys. In the vibrant waters near Isla Tortuga and Coiba's Granito de Oro—a UNESCO World Heritage Site—snorkeling reveals a bright world below the water's surface.

The gardens, butterflies and bats, and exotic fruits of a tropical botanical reserve are a feast for the senses. And not to be outdone, take a spin in a kayak or board a skiff seeking the rare

flora and fauna of the Golfo Dulce mangroves. Adventure calls, and at the end of each day, relax on deck with a beverage in-hand. On your last full day, it's captain's choice among the Gulf of Panamá Islands. There are excellent birding opportunities, or perhaps you'll find yourself in a tiny village at the hemisphere's second oldest church. Sail into the sunset on one of the top bucket-list "to do's"—transit the 48-mile-long Panamá Canal, a marvel of engineering and human tenacity. During your transit, celebrate with a special Farewell Dinner.

DAY 8 Awake to a tasty breakfast, then disembark in Colón for your scenic transfer to the Panamá City airport, or for your optional UnCruise post-cruise hotel extension.

PRE- & POST-CRUISE OPTIONS are available. See pages 71-72 for details.

Unveiled Wonders— Costa Rica & Panamá Canal

8 NIGHTS | SAN JOSÉ, CR TO PANAMÁ CITY, PA (*or reverse)

SHADOWS DAPPLE THE BOW OF THE KAYAK AND THE GNARLED FINGERS OF LONG ROOTS...

The dense canopy spreads wide with wild activity overhead. It's a game to find howler monkeys or spider monkeys willing to pause their branch-to-branch acrobatics for a photo op. And like hide-and-go-seek, orchids spring up from mangrove roots. While the flowers' hiding places are not all that disguised, the rare cotinga is giving a good chase.

DAY 1 Transfer to your included hotel for your overnight in San José. Utilize the hotel's amenities to unwind and soak up the good energy in the land of *pura vida*.

DAYS 2-8 You'll board the *Safari Voyager* at Caldera Port before sailing into adventure. Frigate birds, scarlet macaws, white-face capuchins, sloths, army ants and butterflies—your journey begins with wild flora and fauna. Uncover colorful and camouflaged biodiversity on jungle hikes in Curú National Wildlife Refuge, Manuel Antonio National Park, and the vast Osa Conservation Area—home to all four of Costa Rica's monkey species. It's a birder's paradise in Golfo Dulce—watch for toucans, hummingbirds, tanagers, and their feathered friends on a walking tour through a preserve and by skiff or kayak through the mangroves.

A kaleidoscope of marine life teems below the surface. Snorkel, paddle board, and skiff in the turquoise

waters near Isla Tortuga and Coiba National Park at postcard-perfect Granito de Oro—a UNESCO World Heritage Site. Relax deck-side in the evenings sharing adventures from the day with your shipmates, cocktail du jour and sunset included. Your last full day will be one to write home about. Stop for superb bird watching, or stroll a charming island village—it's a captain's choice as you hop among the Gulf of Panamá Islands. Later, it's a top bucket list experience—transit ocean-to-ocean along the Panamá Canal. Celebrate this unforgettable voyage with a Farewell Dinner and slideshow by your expedition team.

Costa Rica Beaches & Jungles

8 NIGHTS | ROUNDTRIP SAN JOSÉ, COSTA RICA

NEON YELLOW AND ELECTRIC BLUE FLITTERED PAST, A CONTRAST TO THE SLOW MOVING TURTLE...

The green-gray and brown sea turtle blended into the muted seascape. But its elegant movements made it stand out from the busy scene all around. Butterfly fish, horse-eyed jack fish, puffers, speckled sea stars. While there seemed to be no limit to the color underwater, the sea turtle commanded attention from our snorkeling group. Gracefully, it undulated its flipper-like legs, weaving between us to swim on.

DAY 1 After a warm Costa Rica welcome, you'll be transferred to the included San José hotel for your overnight stay. Relax from the day of travel, or explore a bit of the Escazú neighborhood on your own.

DAYS 2-7 From the north Guanacaste beaches to the forests of Osa Conservation Area, the country's diverse landscapes and its flora and fauna are yours to discover. So, dive right in! Kayak, paddle board, and snorkel along Papagayo Gulf against a backdrop of postcard-worthy beaches and tropical dry forest. An isolated cove along Islas Murciélago offers more opportunity to watch for sea turtles and brightly-colored tropical fish. This region is known for stunning sunsets—catch the glow from the sun deck, with a handcrafted cocktail in hand.

Macaws, tanagers, motmots, spider and howler monkeys, sloths, iguanas, lizards... keep tally of all the species you find—you'll surely have a long list. Hikes in Curú National Wildlife Refuge, Manuel Antonio National Park and the vast Osa Conservation Area reveal wildlife big and small. The vibrant energy of the forests is palatable. Dip your toes into Costa Rica's azure-blue waters with a snorkel near Isla Tortuga, and explore by kayak or skiff. Your week wraps up with a celebratory Farewell Dinner and slideshow by your expedition team.

DAY 8 One last breakfast aboard the *Safari Voyager* before the overland transfer brings you to the airport, or to your UnCruise hotel stay.

Pure Panamá: Cultures, Coasts & Canal

8 NIGHTS | ROUNDTRIP PANAMÁ CITY, PANAMÁ

WHERE THE RIVER ENDS AND THE JUNGLE BEGINS IS AN IMPERCEPTIBLE LINE...

Our **Emberá guide** points to a flock of pelicans in a tight formation, skimming the water. Reaching the bank, a group from our guide's village is there in welcome. In their traditional brightly colored sarongs and loincloths, their song gets all hands clapping in time. Graciously, they gift us with our own jagua paint "tattoos" similar to their own intricate body paint.

DAY 1 Warmly greeted and transferred to your included Panamá City hotel for your overnight stay, unwind from your day of travel or walk to nearby city sites.

DAYS 2-7 Wake up refreshed then transfer to the *Safari Voyager*. Meet your crew and set sail! Shaped by newcomers over the last 500 years, the Darién Jungle remains wild and untouched. Travel the Mogue River by motorized dugout canoe to a remote village, learn from the Emberá about their customs and shop for handicrafts—especially their highly prized baskets. Spot wildlife in the Punta Patiño Nature Reserve—Central America's largest protected area. Enjoy a swashbuckling day of play by kayak, paddle board, skiff, or snorkel in Las Perlas, once a favorite of pirates. And transit the Panamá Canal where man's feats meet nature's splendor.

Visit San Lorenzo Fort—UNESCO World Heritage Site—on the Chagres River, where pirates and conquistadors fought for gold and power. Kayak and skiff in this migration hot-spot watching for crested eagle, trogons, toucans, and white hawks—the action is in the sky. Guna Yala (formerly the San Blas) is an indigenous province with over 360 picture-perfect islands. Lounge on a beach, snorkel in crystalline waters, and learn the ways of the Guna with a chance to shop for colorful "molas." Wrap up the week with one of our favorite traditions—a celebratory Farewell Dinner and slideshow recapping your week's adventures.

In the Zone

Each experience in Costa Rica & Panamá is a unique one, with wily animal life to witness and dramatic landscapes to explore. Many wildlife and sightings are possible anytime of the year, while others like migrating birds and marine mammals change with the seasons. The following charts help you anticipate what land and water creatures, and other features Mother Nature might have in store when you visit.

■ Best ■ Good ■ Moderate

Galápagos Islands

Resting in muddy wallows, the giant tortoise looked at peace with the day. Rubber boots kept our toes clean, but the shoeless “locals” didn’t mind the mud. The revered elders of the archipelago—giant Galápagos tortoises—lumbered among the bushes to snack. So close to these massive creatures, what must these islands have been like 2 million years ago when their ancestors arrived? It doesn’t get more remote or exotic than this!

Both the Galápagos Islands and Quito’s historic city center are UNESCO World Heritage Sites. Wander Quito’s Old Town and overnight in the elegant *Casa Gangotena Hotel*. In the Galápagos, step ashore on seven islands and islets throughout your inclusive cruise. The world’s most iconic marine habitat, this unspoiled archipelago is filled with exquisite creatures. Watch giant tortoises, Darwin’s finches, penguins, flamingos, lava lizards, and rowdy sea lions in their natural habitat. Hike, snorkel, kayak, and discover the unexpected.

PRE- & POST-CRUISE EXTENSIONS

Darwin's Islands & Colonial Quito

8 NIGHTS | ROUNDTRIP QUITO, ECUADOR

FOOT-TO-FOOT, IT'S AN AWKWARD DANCE. COMPLETE WITH FANCY FOOTWEAR...

This charming welcome party has pulled out all the stops. Despite the language barrier, the guttural sounds and shrill squawks are friendly greetings. Found throughout the islands, the Blue-footed booby is the ultimate ambassador of the Galápagos.

DAY 1 Your journey begins in Quito, once the northern capital of the Inca empire and capital of art of Spanish America.

DAYS 2-7 Rich in legends and culture, Quito reveals history through the ages. Your Spanish Colonial hotel, *Casa Gangotena*—voted the #1 Hotel in Ecuador by TripAdvisor—is steps from Plaza de San Francisco, built atop Incan temples and markets. Uncover pre-Columbian past at an artifact-filled museum, tour colonial monasteries and churches, and watch city lights glitter at a private dinner overlooking Quito. Aboard *La Pinta*, step into the heart of the Galápagos. Spy Blue-footed and Nazca boobies, swallow-tailed gulls, and Magnificent Frigatebirds in their cliff-side nests on Isla Seymour Norte. At Punta Vicente Roca, a panga ride reveals the islands' fiery origins, and plentiful bird species—flightless cormorants, storm petrels, Brown Noddy Terns. Conditions allowing, snorkel a sunken cave among green sea turtles.

An active volcano hasn't dissuaded Isla Fernandina's residents—spot prolific land iguanas and penguins. Search for wildlife at Isla Isabela by kayak or panga ride—giant tortoises

favor Urbina Bay, whales and dolphins frequent Bolívar Channel, and penguins and Galápagos Hawks stake their claim at Tagus Cove. Sea lions and marine iguanas sunbathe on Isla Rabida's maroon-colored beach—you might choose to, too. Beach walk among boobies, yellow warblers, Darwin's finches, and pelicans; then cool off with a snorkel. Hike up Isla Santa Cruz's Cerro Dragón for an eagle-eye view and, in the island's misty highlands, see the island's famed giant tortoises in their natural habitat. Your last day is chock-full of adventure—skiff, kayak, explore Isla Floreana's green and white-sand beaches, watch for flamingos, and pop a postcard in Post Office Bay's historic mailbox!

DAY 8 After breakfast, transfer to Isla Baltra's airport for the flight to Quito and then home; or disembark in Guayaquil for your post-cruise extension.

Columbia & Snake Rivers

A soft bhram-bhram, the hand drum sets the rhythm. JR Spencer’s chanting seems to be in his native Nez Perce. With a wink and now in English, his song is about chocolate cookies. Humor does not overshadow tradition, though it has its place. He next tells of his tribe’s connection with the sly coyote. As old legends live on, new ones are born. Pull up a chair, take a taste, and hear a modern tale about newlyweds set on Red Mountain’s treeless slopes. Striking out to make their fortune, the young pair battled wind, heat, and snakes. Owners Keith and ReNae regale with stories from the early years of Terra Blanca Winery.

Along the rivers, a pioneer spirit and dramatic vistas are at play with man’s achievements. Aboard an 88-guest replica coastal steamer, geology, history, Lewis & Clark, and world-class winemaking come front and center. Historians, heritage guides, guest experts, and vintners. Premium excursions ashore to museums, forts, and wineries. It’s all included. Cruising upriver and back—nearly 1,000 miles—discover how the region’s varied past has shaped the landscape.

Legacy of Discovery

7 NIGHTS | ROUNDTrip PORTLAND, OREGON

A FRESH BREEZE RUSTLES THE SPRUCE TREES AND CARRIES THE CRY OF OSPREY TO OUR EARS...

Exploring the log encampment, rangers relay stories of daily life when the fort was built. The towering trees, the nearby river, the quiet... despite the beautiful setting, I imagine how far from home members of the Corps of Discovery must have felt. They wintered here for three long months in 1805. The wind echoes voices of the past as I walk in Lewis & Clark's footsteps.

DAY 1 Welcome to Portland! After a glass of bubbly and dinner aboard the *S.S. Legacy*, gather in the lounge for an evening presentation about your week's journey through time.

DAYS 2-7 Passing evergreen forests, high desert, and canyons, cruise upriver transiting eight sets of locks and dams, and centuries of history—filled with stories of hardship and triumph. Learn the legend of a beautiful Indian maiden—the winter spirit of a towering waterfall, about the Nez Perce, and encounters of Lewis & Clark. Cruise the 80-mile long Columbia River Gorge cutting through the Cascade Mountains and past hillsides of wind turbines, orchards, vineyards, and wheat fields that have shaped the land. On a jet boat into Hells Canyon, watch for 7,000-year-old petroglyphs, and up vertical cliffs, for bighorn sheep and golden eagles.

The region's basalt flows and Ice Age floods; Native cultures and early pioneers; Manhattan Project; and a diverse changing landscape are the focus at Richland's Hanford Reach Interpretive Center. At award-winning *Terra Blanca Winery & Estate Vineyard*, enjoy a private tour, tasting, and lunch. European history

stands sentry at Maryhill Museum—a castle-like chateau built by entrepreneur Sam Hill. Near the mouth of the Columbia, time stands still at Fort Clatsop, a replica of the Corps of Discovery's last encampment. Visit Astoria Column perched atop Coxcomb Hill—600 feet above sea level; stroll the quaint streets of Victorian Astoria; and explore the Columbia River Maritime Museum. Enjoy a Farewell Dinner and relive your week through photos and storytelling.

DAY 8 Bid adieu this morning before your transfer to the Portland airport or extended UnCruise stay in town.

Rivers of Wine

7 NIGHTS | ROUNDTrip PORTLAND, OREGON

EVIDENCE OF ICE AGE FLOODS IS EASY TO SPOT.
THE RESULTS OF THE FLOODS ARE DELICIOUS...

Lifting a glass of ruby-red wine, it's impossible not to appreciate the lasting effects ancient geology had on this terroir. Overlooking the stunning Columbia River Gorge, Maryhill Winery's experts share the methods of their winemaking. Rich soil, ample sun, just-so winds, and superb craftsmanship—the combination of factors have yielded spectacular results.

DAY 1 Sparkling wine and hors d'oeuvres await you on board as you set sail from the City of Roses along the mighty Columbia River.

DAYS 2-7 Five AVA's, multiple wineries, onboard tastings and presentations, and stunning vistas await. As you cruise through the gorge itself, begin your wine exploration in the Columbia Gorge AVA at rustic *Springhouse Cellar*, housed in a 1920s cannery, and with *Mt. Hood Winery's* eighth-generation winemakers. Swirl a glass with the owners at Walla Walla AVA's *Basel Cellars Estate Winery*, and in downtown Walla Walla, visit art galleries and tasting rooms. *Dunham Cellars* melds a passion for original artwork and a smooth pour. Cruise into the Snake River and stroll the pathways at Palouse Falls State Park and learn the legend of "Big Beaver."

At the crossroads of several AVA's, Walter Clore Wine & Culinary Center has Washington's wine and food products on display and regional wines on the tasting tap. Red Mountain AVA's *Terra Blanca Estate Winery & Vineyard* is a beauty—tour, taste, lunch, and stretch your legs on their manicured grounds. In the Columbia Valley AVA—tour

vineyards and a wine cave, and sip *Maryhill Winery's* award-winning varietals. *Sunshine Mill Winery* adds to the history of a former wheat mill. Your final AVA, Willamette Valley, is an oenophile's mecca. Taste the finest at *Ponzi Winery* on Chehalem Mountain slope and at sustainably-farmed *Hawks View Cellars*. Your last night pulls out all the corks—raise one last glass to toast friendship and wine at the Captain's Dinner.

DAY 8 After breakfast, disembark for your included transfer to the airport or your UnCruise hotel stay in Portland.

Pacific Northwest

Coastal Washington

Comings-and-goings below the sentry's gaze have spanned centuries. Towering over Staircase Trail long before it was a trail, the ancient 14-foot diameter Western Red Cedar could tell a few stories. Wildlife and Native people passed by for hundreds of years before the Olympic Exploratory Committee's first visit in 1890. Cruise through the Salish Sea, Puget Sound, and South Hood Canal. Explore Washington's old growth and temperate rainforests, islands, and channels. Hike Mt. Constitution and in Olympic National Park, a UNESCO World Heritage Site. Snorkel, kayak, paddle board, and skiff in glacial fjords and the San Juan archipelago.

British Columbia

Friday Harbor's one-eyed celebrity is not bashful about her fame. The statue of her at the marina confirms her place in the spotlight. Sidling alongside the dock, Popeye pops her spotted head above water. This harbor seal is happy to take the herring offered from an outstretched hand. Opting for a yachters' paradise on both sides of the border, connect with nature's wonders by kayak, skiff, or on foot. Witness the majesty of Princess Louisa Inlet, take High Tea in Victoria, and stroll a seaside town. Experience the dramatic shores of British Columbia.

PRE- & POST-CRUISE EXTENSIONS

Enjoy our hometown—take a gastro tour, catch a flying fish or catch views from the Space Needle.

Explore! Olympic Wilderness & San Juan Islands

7 NIGHTS | ROUNDTrip SEATTLE, WASHINGTON

GLOWING ORBS SURROUNDED US, THE JELLYFISH GRACEFULLY FLOATING AROUND OUR KAYAKS...

Pausing near a slim finger of rock that plunged near vertically into the deep, sea stars clustered just below the surface were bright pops of orange and purple in the dark green water. Small maroon crabs zipped from one hiding spot to another above the water. Having nearly completed our circumnavigation of the island, we all agreed we could do it again. There was so much to see, a second time around would reveal a whole new view.

DAY 1 Set sail from Fishermen's Terminal, transit the Hiram M. Chittenden Locks, and cruise Seattle's bustling waterfront before dropping anchor in a tucked-away bay.

DAYS 2-7 Wake up in some of the quietest reaches of Puget Sound—surrounded by old growth forest, intertidal wetlands, and rocky outcroppings. Throughout the week, keep watch for resident marine life—whales, orcas, seals, and sea lions. In South Hood Canal, you'll be treated to locally-grown oysters and clams. Days of play will have you hiking in Olympic National Park—a UNESCO World Heritage Site—and to the top of Mt. Constitution for panoramic views.

Explore above and below the surface at Lopez, San Juan, and Orcas Islands. And, at Sucia Island, explore tide pools, hike across the island, and kayak in a

protected bay. If Mother Nature cooperates, there might even be a bonfire ashore. For your final treat of the week, your captain pulls anchor and guides you through the archipelago and near Deception Pass. Whale watching and birding opportunities abound—watch for Tufted Puffins, Rhinoceros Auklets, and Bald Eagles. Relish an afternoon of adventure hikes, shore walks, and kayaking. Following the Farewell Dinner, wrap up the evening with a slideshow highlighting your week's adventures.

DAY 8 After your final breakfast, say goodbye to newfound friends and disembark at Fishermen's Terminal for your transfer to the Seattle airport or your optional UnCruise hotel stay.

British Columbia's Yachters' Paradise

7 NIGHTS | ROUNDTRIP SEATTLE, WASHINGTON

TAKING A DEEP BREATH, I JUMPED AND PLUNGED INTO THE DARK, COOL WATER....

Mirroring the stars above, bioluminescence shimmers all around our treading arms and legs. The phosphorescence performs a glittery light show—a good distraction from the cold night swim at our secluded anchorage. Back on board, we laugh at our daring moxie, gratefully accepting towels and mugs of warming hot toddies.

DAY 1 Board the *Safari Quest* on Seattle's waterfront. Set sail at cocktail hour and, after dinner, nestle in to a remote anchorage for the evening.

DAYS 2-7 Land and sea explorations—wherever the tides take you! On the southern tip of British Columbia's Vancouver Island sits Victoria, your launch point for High Tea at the *Empress Hotel*. There will be time to browse the city's quaint shops or visit one of the garden city's many museums. Your voyage continues in the Strait of Georgia, sailing along Canada's Sunshine Coast to the Harmony Islands; along the passages of the Gulf Islands; and through the Malibu Rapids to Princess Louisa Inlet, walled in by 3,000-foot near vertical mountains. By day, anchor in sheltered bays for kayaking, exploring by skiff, or hiking ashore; and by night, settle into a remote anchorage.

Wildlife flourishes where evergreen forests fall steeply to the shore—orca search for salmon, seals and sea lions lounge on rocky islets, and eagles soar overhead. Once again, sail over the border into Washington's San Juan Islands—an archipelago of 172 islands and rocky islets. Spend your last day with a visit to tiny Friday Harbor and The Whale Museum, searching for orca, and "gunkholing," or exploring as the land lubbers say. A festive Farewell Dinner and a picturesque recap of the week from your expedition leader cap off your last evening.

Staying Ashore

Whether niche shopping, treating taste buds, or touring world-class museums strikes your fancy, extend the adventure a few more days with a pre- or post-cruise stopover. Here are a few carefully selected options that offer the convenience and services you're looking for.

Portland, Oregon

Hotel Rose

Located across from Tom McCall Waterfront Park and Willamette riverfront, the Rose is centrally located for discovering the city's charm and attractions. Nearby, find a unique variety of bars and restaurants, arts organizations and shopping.

Seattle, Washington

Crowne Plaza - Seattle

Sleek and modern, the Crowne Plaza is an amenity-rich home base for getting to know the Emerald City. Take in stunning views of Seattle from your spacious room, or step outside and arts, dining, culture and shopping opportunities are a short stroll away.

British Columbia & the Canadian Rockies

Rocky Mountaineer

Scenic rail travel and small ship cruising are a perfect marriage. Combine a Rocky Mountaineer rail journey into the majestic Canadian Rockies before or after exploring Alaska's Inside Passage or the Columbia & Snake Rivers.

All hotel stays include: Airport meet & greet; airport/hotel/vessel transfers; accommodations; taxes and service fees.

A photograph of a group of people sitting around a table on a ship. A man in a black jacket is holding a hand of cards. A woman with short grey hair is smiling and holding a drink. Another person is holding a drink. There are more drinks and a small plate of food on the table. The background shows a bar area with shelves of bottles.

Life on Board

Each vessel has a unique personality. But they all share a universal goal, and with you in mind—to provide relaxation, comfort, and camaraderie. The ambience is welcoming and casual. The crew call you by name and quickly know your preferences, making you feel right at home. And by the end of the cruise, you and your fellow travelers will feel like one big family.

You'll be very impressed with how enthusiastic and accommodating the crew is. There's good energy and excitement. The meals are plentiful and scrumptious! It's a classy, well-run operation. At least that's what past guests are saying. What most didn't expect though was the bonding, sharing adventures with people who became friends for life, and meeting so many returning passengers.

Everyone has their preferences, be it solitude or a few laughs with others. And on board, it's easy to have both. There are quiet nooks and crannies where you can tuck into a good book or sketch the passing landscapes. Visit the captain on the bridge and learn about navigation. Or perhaps you'd rather mingle in the lounge or hang out on the bow eyeing the next *WOW!* moment.

Outer Decks & Inner Spaces

- An inviting dining room
- Main lounge or salon (with a varied selection of board games, books, and DVDs)
- Observation decks for close-up wildlife viewing and relaxing under the stars
- Open bridge policy—visit with your captain and mates

Wellness, Fitness & Relaxation

- Relax in the on-deck hot tub
- Nutritious meals, local ingredients
- Laps around the deck
- Complimentary massage aboard select vessels*
- Fitness equipment or on-deck yoga stretches
- Active adventure gear for kayaking, paddle boarding, snorkeling* and hikes

*Amenities vary by vessel; refer to the Small Ship Comparison Chart on page 111 for details.

“I don't know how you put together a crew this amazing and combined it with the incredible food and drinks... add to that our 30 new best friends from all over the world... an UNFORGETTABLE vacation. We loved it so much we put down a deposit on our next cruise!”

— Tracey S, Warner Robins, GA (Hawaii 2016)

Wining & Dining

Onboard executive chefs handcraft every meal. Innovative, nutritious, and delectable dining experiences highlight flavors of the region. In coastal Washington, taste locally-cultivated oysters from family farms. In Alaska, savor buttery-rich Dungeness crab caught live, in-season, by local fishermen. Or, along the Columbia & Snake Rivers, taste diverse flavors of Washington and Oregon wines paired with the meal's courses.

What to expect:

- Early-riser breakfasts of fresh fruit and baked-on-board pastries
- Full breakfasts with hot and cold options and specialty items
- Lunches range from salads, sandwiches, and homemade soups to regionally-influenced dishes
- Dinners offer a choice of entrées including fresh, local seafood and meats
- Chef-selected wine parings that complement your meal
- Made-from-scratch desserts like tiramisu and lavender panna cotta
- Varied hors d'oeuvres during cocktail hour
- Vegetarian dishes are available at all meals
- Special dietary needs can be met with advance notice

Unless there's a special barbecue or lunch on shore, most dinners are served over several courses. And attention is always paid to your personal preferences. The dining experience is casual. Seating is open so you are free to join new friends and choose a different table at every meal.

Celebrating a birthday, anniversary, or other occasion? Let us know before you board and our expert pastry chef will make it memorable by whipping up a surprise treat.

What's on the menu

Early morning sees a passing of the torch. The pastry chef has baked throughout the night. And after dawn, head chef and sous chefs prepare the hot-from-the-stove portions of the meal. Masters of improvisation, menus may alter. An expedition guide may discover morel mushrooms on a hike, or talk of local chilies might spark inspiration. Perhaps there's a special request to celebrate an occasion.

Your galley crew is attentive to ingredients. They also pay close attention to how food options meld with the activities and conditions of the day. Savory salads and salmon cakes are a satiating starter after an invigorating hike. Belly-warming soups are perfect after exploring near glaciers. And cool ceviche or poke is a refreshing palate-pleaser in tropical climes. At mealtimes, there are vegetarian and meat or fish options to choose from. And if you can't decide, try a sampling—just ask for half-and-half!

— Sample Breakfast Menu —

Hot breakfast in the dining room

Dungeness crab & scallion omelet; Asparagus, prosciutto & gruyere frittata; Blackberry pancakes with smoked sausage; Eggs to-order, lox & bagel, sausage, bacon, ham; Fresh baked pastries

Wetting Your Whistle

The setting depends on the vessel. You might find yourself in a setting reminiscent of a neighborhood pub, or a turn-of-the-century saloon. It might imitate an intimate wine bar, or an upscale lounge. Specialty coffee and teas are always available. Many vessels even feature sustainable cask wines on a rotating tap. Fine wines, spirits, and microbrews served aboard are included in your fare.

Sip a craft cocktail or soda mixed with homemade bitters and seasonal, local ingredients. Soak in the on-deck hot tub with a cold microbrew or glass of champagne. Perk up with an espresso. Sample beer, wine, scotch, or tequila at the occasional tasting.

Along the Columbia & Snake Rivers, Washington and Oregon wines get extra special attention. Meals highlight regional specialties, bringing out flavors of both the dish and the beverage. Fresh caught Columbia River King Salmon pairs deliciously with Reustle Vineyards Reserve Pinot Noir. And smoked breast of pheasant highlights the bouquet of Tempus Cellars Reisling. You'll enjoy special food and wine pairings aboard the other UnCruise vessels, too.

Our galley crew creates fresh meals that pay homage to the flavors of the region. Seafood stews spotlight the bounty of the sea. The surprise of plump, regionally-grown strawberries add tangy sweetness to salads. Wherever possible, ingredients are sourced locally. Not only for freshness, but local sourcing supports the communities where we travel and helps protect the oceans. Committed to sustainability, we are proud to be the first cruise partner of the Monterey Bay Aquarium Seafood Watch Program.

Monterey Bay Aquarium Seafood Watch Program®

Committed to sustaining wild, healthy oceans into the future, the program helps seafood buyers, like our galley crew, make ocean and environmentally-friendly seafood choices. These choices minimize damage to ocean and freshwater environments. We proudly follow their guidelines, buying seafood recommended as “Best Choice” and “Good Alternative.”

“Our chef and pastry chef produced the best food I’ve had on a cruise, and better than most high priced restaurants—exceptional!”

— Steve & Adrienne C, Portland, OR (British Columbia 2016)

Our Fleet

The shallow draft of a small ship allows for nimble exploration and access to places bigger ships can't go. The vessels are compact and everywhere on board—cabins, public spaces, decks—is accessible within minutes. And all cabins are outside (either the window faces the water or one step outside the door has you basking in fresh air).

Comfortable and inviting, each ship is equipped for its own distinct style of cruising and designed to bring the outside in. The natural environment you've come to explore is always in the spotlight. And vessels come alive with art and artifacts from the places UnCruise sails.

Choose your destination and itinerary, and where there's a choice, your vessel preference. Whichever you choose, it'll be an adventure full of discovery!

Expedition Vessels & Boutique Yachts

Designed with action in mind. Interior spaces complement the wilderness outside and provide an inviting atmosphere loaded with amenities. There's even a kayak launch system or swim step to make water activities a snap. Cabins are cozy aboard the expedition vessels and roomier on the yachts; some even offer French balconies and Jacuzzis.

Responsible Travel

Small vessel sizes enable each ship to get up close to nature and wildlife. While delivering exceptional access to these areas, we realize our presence has an impact. Fostering responsible practices, we lessen our environmental footprint. A core business value is ensuring that we leave a positive impact in the communities and wilderness areas we visit and work.

We continually look for ways to share the wealth and enrich the lives of those we meet:

- Purchase local food and supplies
- Partner with local people for cultural tours/presentations
- Follow “Leave No Trace” practices
- Purchase supplies with less packaging to reduce waste
- Recycle wherever facilities exist
- Eco-friendly bath amenities on board in refillable containers
